SUBJECT.

Constitution of District Veterinary & Live Stock Offices -

WD 0573—GPB—22,500—12-9-39

WDC 4/4

Serial No.

From the Director of Agriculture
No Roc 2013-Bot-435/36-37 dated 4/4/38

Recommends for favourable consideration, the proposals re raising of the present number of divisions, C.V.D. to 8.

Subd. At present there are four divisions. It is now proposed to raise the number to 8 divisions and to change the designation of the divisional Officers to "District Veterinary and Live Stock Officers", five on Rs 145-10-175 and three on Rs 150/- P.M. The proposals are stated to involve no extra cost to Govt as the Officers in charge of the several Districts and the clerical staff are drawn from the existing cadre itself.

The Dir has, in his letter No Roc 15-33-Bot-324/36-37 dated 4/4/38, submitted separately a proposal to raise the present number of divisions to five along with the confirmation of certain Asst Surgeons, C.V.D. Now after a lapse of 21 days he submits another proposal to raise the number to 8 without assigning sufficient

D No 5615
C.V. 61-37

NOTE—Contn. Sheet.

reason therefor. Whether the divisional work has appreciably increased since the last reorganisation necessitating the increase of the divisions from 4 to 5 or 8, is not known. He has not furnished statistics to that effect. That the proposal involves no extra cost is not a sufficient reason for increasing the present number of divisions. No case for the increase seems to have been made out. Further it is not known whether the Live Stock Expert will have control over matters connected with live stock. By the change of designation as proposed the divisional Officers will be in charge of not only Veterinary work but also live stock work. If is presumed that in the former case the Superintendent, C.V.D. will have control and in the latter case the Live Stock Expert. This point has also not been made clear. The main file (5615) referred to above is now before the Food Secy. This question has to be

Serial No.

considered along with that.

3 The proposition submitted by the Dir. has to be verified by the Comptroller and his criticisms obtained as to whether it involves no extra cost as stated.

For orders.

20/5

4 There is bound to be increase in ~~expre~~ under T.A., Contingencies etc., though it is stated that no extra cost is involved. It is for consideration if this extra cost can be incurred in view of the increased efficiency stated to follow from the arrangement.

5 As the Dir. has submitted two proposals within 21 days of each other, it is understood it is to be informed that the later proposal has to be taken to have replaced the earlier one.

20/5

6 Please put up the later proposition when the policy of three shifts etc.

DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of H.H. the
Maharaja of Mysore, Development
Department, Bangalore.

SIR,

I have the honour to forward herewith letter No.H.A.178 of 37-8 dated 21-4-1938 from the Superintendent, Civil Veterinary Department, as regards raising the present number of divisions to 8, to afford one officer for each District in view of the increase in the number of institutions year after year and the intensive propaganda work in connection with the improvement of Live Stock as well as distribution of the same to rural areas in larger numbers. The advantages to be derived by this arrangement are set forth in the letter. The proposals do not involve any additional cost as the Officers in charge of the several Districts and the clerical staff are drawn from the existing cadre itself. Three places of Veterinary Inspectors will be kept vacant in the Mobile Corps as against the three Inspectors promoted as Assistant Superintendents.

These officers will be designated as District Veterinary and Live Stock Officers and those in charge of the 3 additional Divisions will draw Rs. 150/- the maximum of the old grade of Veterinary Inspectors.

I recommend the proposals for favourable consideration of Government, and for issue of necessary orders so as to start the new divisions from July next.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Govt. of H. H. the
Maharaja of Mysore, Dev. Dept., Bangalore.

SIR,

Subject: Constitution of four additional District Veterinary and Live Stock Officers.

I have the honour to enclose herein a copy of letter No. H.A.178-473/37-38 dated the 23rd December 1938 with modified proposition statement from the Superintendent, Civil Veterinary Department furnishing the information on several points raised in your letter No.D.4808-C.V.68-37-4 dated 29-11-1938.

As regards query (6) it may be stated that the present Live Stock Stock Expert will be retiring shortly and the control of both the Live Stock and Veterinary Sections will then have to be combined in one officer. It is therefore very opportune to consider a scheme of District Veterinary and Live Stock Officers as then the entire Veterinary Department would function also as the Live Stock Department.

I have the honour to be,
Sir,
Your most obedient servant,

B. Sanjiva Rao Bahadur

for Director of Agriculture.

Letter No.H.A.178-473/37-38 dated 23rd December 1938 from the Superintendent, Civil Veterinary Department, Bangalore to the Director of Agriculture in Mysore, Bangalore.

Referring to your memo No.Roc.2013-Est.436/36-37 dated 22nd December 1938, I have the honour to state as follows, in respect of each of the points raised in letter No.D.4808-C.V.68-37-4 dated 23/29-11-1938 of the Secretary to Government, Development Department.

1. No increase in expenditure will be involved by this reorganisation, under Travelling Allowance, Contingencies etc. The several offices, if sanctioned, will be managed from within the allotment made for the Department, by a suitable adjustment of funds.

2. Qualified and literate Salustries will be posted for each Division so that they may render Clerical work also. Thus practically there would be two hands for each office which should suffice, to begin with.

3. A slight readjustment in this regard is made to afford two peons for each Divisional office, as shown below:-

8 peons on Rs.12/-
8 peons on Rs.10/-

The item of "Malies" provided for in the Proposition Statement is left out of account now and the cost provided for on this account is appropriated towards the above adjustment.

There are at present 4 Salustries in the 4 Divisional Offices. The other 4 Salustries will be drawn from the Mobile Corps and posted to the new Divisions.

4. The current year's grant under Travelling Allowance for all the 4 Divisional Offices and this office is Rs.2,800/- and under "Contingencies" Rs.2,800/-.

The expenditure under these heads that may have to be incurred by the increase of Divisions from 4 to 8 will be kept within the budget grant.

It is proposed to locate the new Divisional offices in th Head Quarters Hospitals only, and so there is no question of incurring house rent at all, as they are all in rent-free buildi

5. The following is the strength of the Mobile Corps staff

at present:-

7 Veterinary Inspectors.
8 Salustries.

The Mobile Corps Staff is maintained for emergency, to attend to outbreaks when they are too many, in any particular area, and occasionally to act as leave substitutes.

As the jurisdiction of each Veterinary Inspector is mostly one Taluk or even less in some cases, the necessity for extra men is not so often felt.

So, the proposed reduction in the Mobile Corps establishment does not very much hamper the work.

6. The administrative control over the District Veterinary and Live Stock officers will continue to rest with the Superintendent, Civil Veterinary Department, and matters pertaining to Live Stock will be forwarded to the Live Stock Expert by the Superintendent, Civil Veterinary Department, as is being done now.

7. The District Veterinary Officer will be in charge of the District Hospital. As he is a touring officer, there is absolute need for keeping the second Veterinary Inspector in a District Head-Quarter Hospital. The Veterinary Inspector posted for work at the District Hospital will look after the District Head-quart r Hospital during the absence, on tour, of the District Veterinary and Live Stock Officer.

This arrangement will be similar to that of the Medical Department.

Modified proposition statement is enclosed.

Copy.

B. Sankara Rao Bahadur

Director of Agriculture.

DEVELOPMENT BRANCH.

TO.

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Govt. of H. H. the
Maharaja of Mysore, Dev. Dept., Bangalore.

SIR,

Referring to correspondence ending with your letter No. D.7175/C.V.68-37-6 dated the 3rd ultimo regarding the appointment of District Veterinary and Live Stock Officers, I have the honour to submit for the information of Government a revised proposition statement together with the observations of the Comptroller contained in his letter No.584 B.i dated 15th instant (enclosed herewith).

The proposals in this connection are (i) the appointment of 4 District Officers on Rs.150/- each against the appointment of 4 Veterinary Inspectors, 3 of them already drawing a pay of Rs. 150/- each and the fourth Rs.145/- from May 1939 and Rs.150/- from May 1940 onwards and (ii) appointment of 8 peons on Rs.10/- each against charge allowances of 8 Dispensaries at Rs.10/- each. The extra cost on the above account is therefore nil.

The extra cost of Rs.167/- worked out by the Comptroller's office taking into account the averages of the present scales is a matter of theoretical calculation in this case as no increase is proposed in the present level of expenditure.

I request that in view of the urgent need for correlating the work of the Civil Veterinary Department and the Live Stock Department as in Madras, the proposals for constituting District Veterinary and Live Stock officers may kindly be sanctioned early.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

OFFICE OF THE SUPERINTENDENT,

Bangalore, 21st April *193* 8

No. HA 178/37-38 Dm 4.

FROM

K. KRISHNIENGAR, ESQ., G.B.V.C.,
Superintendent, Mysore Civil Veterinary Department,
BANGALORE.

To

THE DIRECTOR OF AGRICULTURE,
in Mysore,
Bangalore.

SIR,

I have the honour to state that the need for placing a Gazetted Officer in charge of each District Veterinary Hospital has been a long felt want. As has already been represented, the work and the responsibilities of these Divisional Officers have increased enormously in view of the propagonda ~~under~~ in connection with the improvement of Live Stock as well as distribution of improved Live Stock in large numbers in the State. The increase in the number of Institutions from time to time, has contributed considerably to the increase in the routine work also in the Divisional Offices. The jurisdiction of two Districts for each of the Divisional Officers has therefore become so unwieldly that it will not be possible for these officers to satisfactorily concentrate their attention to the needs of the ryots.

In this connection, I beg to submit that the Government of Madras, after mature consideration, have transferred the Live Stock Section to the Veterinary Department, as they found that the transfer was justified by the closer affinity between Live Stock and Veterinary operations, ~~and~~ following the practice in other foreign countries where remarkable progress had been made by the organisation of Animal Husbandry Departments dealing both with Veterinary and Live Stock work. Col. Sir Arthur Olver, Animal Husbandry Expert to the Imperial Council of Agricultural Research, has expressed that the Veterinary Department, trained as they are, in the scientific feeding

and

and care of animals, also, provides the best basis to build up Provincial Animal Husbandry Department. In his recent report on the development of the Cattle and Dairy Industries in India, Dr. N.C. Wright has strongly recommended that in the interests of economy and efficiency, Live Stock improvement and Veterinary work should be unified under a single Department of Animal Husbandry.

Such an arrangement will ensure efficient and frequent inspection of the Live Stock and supervision of work of the Veterinary and Live Stock staff under them and help to expand Live Stock activities in the State. Further, the quality of the work done in the District Head-quarter Hospitals will improve considerably, if a Gazetted Officer is placed in charge.

I have submitted proposals in my letter of the 29th ultimo for the appointment of five "District Veterinary and Live Stock Officers" in place of the existing four "Assistant Superintendents". I now consider that it is very essential to increase the number of these officers by three more for the unrepresented Districts of Chitaldrug, Kolar and Hassan. These three Officers may be appointed on Rs 150/- only by promoting Veterinary Inspectors drawing that pay to the Gazetted rank and placing them in charge of the three Districts, so that the proposal may not involve any extra cost to Government. The resulting increase in the cadre of Gazetted Officers will be balanced by a corresponding decrease in the cadre of Veterinary Inspectors.

As regards the ministerial staff, it is proposed to redistribute the existing 8 Clerks of the Divisional Offices among the 8 District Offices. Three Salustries of the Mobile Corps will be posted to the three District Offices, which will not alter the existing scale of Salustries.

As regards the menial staff, I propose that three Peons may be appointed, one to each of the three said Districts at Rs 10/- per month. The expenditure of Rs 30/- per month can as well be met

out

out of the savings under Charge Allowance, as the District Veterinary and Live Stock Officer in charge of the District Head-quarter Hospital will not be eligible to draw the charge allowance attached to the Institution.

I am of opinion that this proposal will enhance the prestige of the Department, will be of very great advantage to the ryot - population as the major work of these officers would be diverted towards improvement of Live Stock in rural areas and that it will also increase the efficiency and usefulness of the major Institutions at District Head-quarters. I therefore request you to kindly recommend this proposal to Government strongly for sanction.

I am enclosing herewith a proposition statement in duplicate, which explains clearly the financial implication of the proposal. The proposal already submitted in this behalf is merged in the one now submitted.

I have the honour to be,
S i r ,
Your most obedient Servant,

SUPERINTENDENT.

DKM.

Amalgamation of the Civil Veterinary Department and the Live-Stock Department.

Passes orders on the proposals in connection with the —— and the revision of scales of pay of some officers of the combined department.

READ—

Correspondence ending with letter No. Est. 522-25—38-39, dated 17th March 1939, from the Director of Agriculture in Mysore, regarding the appointment of four additional District Veterinary and Live-Stock Officers on Rs. 150 each per mensem.

2. Letter No. A. H. 89-694—38-39, dated 10th January 1939, from the same officer, regarding the appointment of two assistants, one each for Poultry and Sheep Farming.

3. Correspondence ending with letter No. C. 48—38-39, dated 28th August 1939, from the same officer, submitting certain proposals in connection with the amalgamation of the Civil Veterinary Department and the Live-Stock Department and the revision of scales of pay of some officers of the combined department.

4. Correspondence ending with letter No. 433—Books, dated 12th September 1939, from the Comptroller, forwarding duly verified, the proposition statement relating to the amalgamation referred to in the Director's letter, read above.

ORDER No. A. F. 2821-97—A. H. 92-38-10, DATED BANGALORE, THE 13TH DECEMBER 1939.

There are, at present, two separate departments in the Agricultural Department for work connected with the improvement of cattle—(1) the Live-Stock Department under the Live-Stock Expert on a pay of Rs. 300—25—600, and (2) the Civil Veterinary Department under a Superintendent on a pay of Rs. 300—20—500 engaged in the work of Animal Husbandry. The Superintendent, Civil Veterinary Department, has several Veterinary Inspectors under him in charge of taluk dispensaries but they have not got sufficient work except in seasons of epidemics. The Live-Stock Expert, on the other hand, has no subordinate staff for work in the taluks. The question of amalgamation of both the Civil Veterinary Department and the Live-Stock Department under one officer has been under the consideration of Government for some time past on the suggestion of the Animal Husbandry Expert to the Government of India; but it was not found possible to give immediate effect to the proposed amalgamation. Consequent on the retirement of Lt. A. A. Monteiro, Live-Stock Expert, an opportunity has now occurred to consider this question along with the filling up of the vacancy. The Director of Agriculture has, therefore, submitted, *inter alia*, the following proposals for consideration:—

(*i*) The Live-Stock and Amrit Mahal Department and the Civil Veterinary Department be amalgamated into one department under one officer on Rs. 250—30—700 who may be designated as Superintendent, Civil Veterinary, Live-Stock and Amrit Mahal Department.

(*ii*) In place of the present posts of Assistant to the Live-Stock Expert on Rs. 125—25/2—300 and of the Office Assistant to the Superintendent, Civil Veterinary Department, on Rs. 60—5—120—5—150, two posts of Assistant Superintendents on Rs. 200—40/2—400 each, be created and attached to the office of the Superintendent.

(*iii*) A post of Assistant Superintendent on Rs. 125—10—175 be created for the charge of the Cattle Breeding Station, Ajjampur, against the existing post of the Manager on a fixed pay of Rs. 150.

(*iv*) There are now four Assistant Superintendents in the Civil Veterinary Department in charge of two districts each. The Director is of opinion that it would be useful to have an officer for each district when the Live-Stock work is added on to them. He, therefore, recommends—(*a*) the conversion of four appointments of Senior Veterinary Inspectors on Rs. 150 each to those of District Veterinary and Live-Stock Officers on the same pay in addition to the existing four posts of Assistant Superintendents, Civil Veterinary Department, on Rs. 125—10—175 (to be designated hereafter as District Veterinary and Live-Stock Officers), making a corresponding reduction in the cadre of Veterinary Inspectors, Mobile Corps, on the same pay, as it does not involve any immediate extra expenditure, and (*b*) the appointment of four additional Salustries on Rs. 20 each per mensem and eight additional peons on Rs. 10 each per mensem for work under the additional District Veterinary and Live-Stock Officers, the appointment of the peons being against the charge allowance of eight dispensaries at Rs. 10 each per mensem.

(*v*) The work of the department in respect of sheep-breeding and poultry-farming has been developing very fast and it is found necessary to have two experts, one for each branch of work. The Director, therefore, recommends the appointment of two special officers in grade Rs. 125—10—175 and Rs. 100—10—150 for sheep-breeding and poultry-farming, respectively. This will not involve additional expenditure as the savings effected by the amalgamation of the posts of the heads of the two departments will be utilised for this purpose.

2. After a careful consideration, Government are pleased to sanction the above proposals of the Director with the following modifications :—

(*a*) The grades for the Superintendent and the two Assistant Superintendents will be fixed at Rs. 300—25—600 and Rs. 125—25/2—300, respectively.

(*b*) As there is no need at present to create a post of Assistant Superintendent for the charge of the Cattle Breeding Station at Ajjampur, the present post of Manager on Rs. 150 (fixed) be continued.

This order will take effect from 2nd January 1940.

3. A proposition statement showing the effect of the proposals sanctioned in this order is annexed hereto.

4. The Director of Agriculture is requested to submit very early, for the separate consideration of Government, definite proposals regarding the appointment of officers of the combined department against the sanctioned posts, the initial pay to be allowed to each of them, with reasons therefor, etc., together with an allocation statement.

J. APPAJI GOWDA,
Secretary to Government,
General Department.

To—The Director of Agriculture in Mysore.
